From the Principal's Desk

Our first month of school has flown by and as the saying goes, "Time flies by when you are having fun." It has been a fun filled September with an equally full October. September activities have included the Welcome Back Breakfast, the Jo(e) Social Media presentation, the Academic Awards ceremony and the Terry Fox run which had great participation! Our school reached its fundraising goal and as a reward, the kids will get to watch a movie in the gym.

For new parents, and to refresh others, please remember to phone absences in to the office. Mary-Anne and Kristi will be sure to let the teachers know. Also, when you can, please make after-school arrangements with your child in the morning before they are at school. We understand when last minute changes occur, but it is a disruption to the classroom that we would like to minimize. Thanks for your cooperation on this front.

Our Cross country running teams have been practicing after school with Ms. Young for meets in Sundre and at zones in Strathcona-Tweedsmuir. We wish them all speedy legs. We've have a great turnout for volleyball this year. The students are learning and working on skills at their weekly practices and challenging other teams around the jurisdiction. We thank all our coaches both staff and community members for their dedication to our students and school. Our Sr boys are hosting a tournament this weekend; come out and cheer on our Cougars!

Our first fundraiser, **Centennial Meat Orders**, will be kicking off today, October 1st. Please keep an eye out for order forms coming home. In November we will be bringing back **Mom's Pantry Products**, just in time for the holidays! We thank you all for your continued support with our fundraisers as they go to support many programs in our school such as lowering **field trips, bussing, the breakfast program and awards**. One ongoing fundraiser is the **milk program**. We sell milk and ice cream for \$1.25/each or you can purchase punch cards online through Student Quickpay. The funds raised from those sales go to help with a number of student activities run by the school such as offsetting the cost of **grade 5 camp and other field trip fees**.

School Council, along with the School administration, are bringing different informational items to each monthly meeting. We encourage you to come out for the meetings and join in on the discussions. **The next meeting is October 8, 2019 at 7:00 p.m in the Library**. Please check the calendar on our school website for up and coming events such as the Parent/ Teacher conferences on October 23rd and Picture Retakes on October 28th.

Enjoy the Autumn,
Joanna Harvey

Ready to learn in our safe and caring schools

Chinook's Edge takes enormous pride in the safe and caring culture at each of our schools. Ensuring everyone in our school communities feel safe is the foundation for quality learning and healthy development – and that is precisely what you can expect for your child in Chinook's Edge. We devote a great deal of time and resources to meet this priority, because our emphasis on all aspects of safety – physical, social and emotional – leads to a sense of wellness and underpins our Mission and Vision as a school division.

We consider our Inclement Weather procedures to be an important example of our safe and caring focus. We continue to work towards best practices as we navigate the challenges that winter weather can throw at us, and we want to take this opportunity to remind parents and staff of our CESD [Inclement Weather procedures](#). Working together to continue building our safe and caring culture will ensure we are a school division filled with safe, healthy and happy students and staff.

Also on the notion of working together, we are pleased to share a small glimpse into the huge effort that our Board of Trustees make on behalf of the communities they serve. Chinook's Edge [Trustees at work for students](#) will highlight a different Board priority each month, and we are happy to provide this information to you with each newsletter message.

Athletics Update

From the Sports Desk:

Golf has wrapped up already and although we didn't bring home any hardware all athletes had a great time.

Both cross-country and volleyball are in full swing now. Hopefully the weather cooperates a little bit better for the remainder of the cross country season.

Congratulations goes out to the JV girls volleyball team for taking home first place in their tournament in Carstairs and finally, we are excited to be hosting a Sr Boys Volleyball tournament on Oct. 4th and 5th.

Please come out and cheer on your home team Cremona Cougars!

Band Society Update

Band is in full swing for the year! The Grade 6/7 Band and the Grade 8-12 Band had their first performance of the year at the Academic Awards. Grade 5 Band enjoys a fun start to October with the annual trip to camp! And the Grade 6/7 Band and 8-12 Band are already preparing for the Remembrance Day performances next month.

The Cremona School Band Society would like to invite all Band Parents to attend the Annual General Meeting on Wednesday, Oct. 9 at 7:00 PM. We are looking to fill the following positions: Chair, Vice Chair, Secretary, Treasurer, Grade 5 Director, and Grade 8-12 Director. All Band Parents are society members and are eligible to volunteer for these positions. The meetings typically last less than an hour and are usually held on the first Wednesday of the month. If you or someone you know would be willing to help out with any of these positions, please contact Karen Olson at olsonk@cciwireless.ca. Thank you in advance for your help!

Parents please note that just prior to the AGM we plan to have sample shirts available for sizing so that we can get the Band shirts ordered. Mr. Hutcheon will send out more information on the shirts once it is available. Please watch for that information in early October!

We look forward to seeing you at the AGM on Wednesday, October 9, 7:00 PM!

Message from School Council

The role of School Council is to inform parents, school staff, students and community members so we can work together to enhance the student experience. School Council offers advisory input to school administration.

The presentation at the September meeting was by 'Joe Media'. Jo and Joe had given presentations to the different age groups at school during the day and then offered us a view of social media from the parent's perspective. J & J reminded us that, like everything else in life, parents are the major influencers over their children. This means that we need to model appropriate use of social media ourselves. Additionally, the tension between trust and control raises its head with the emphasis being on doing everything one can to have trust dominate. This was a good presentation that could be repeated regularly.

Our October meeting will give the administration the opportunity to summarize our school results on PAT's (provincial achievement tests). This will reflect how Cremona compares to other schools in the division as well as across the province. It is the interpretation of the results that give the most insight. We are initiating a review of school athletics with the goal of developing a short handbook to clarify expectations. We will introduce this discussion at our next Council meeting.

The next School Council meeting is on October 8th at 7 p.m. in the school library.

Thank-you for wanting to take an active involvement in your child's education.

Family School Wellness Program

My name is Robbin Alexander (students call me Mrs A). I am the Family School Wellness Worker in Cremona. This is my 12th year working in Cremona and for Chinook's Edge School Division. I have a Bachelor of Arts degree in Gerontology (the study of aging) and a Bachelor of Social Work degree from McMaster University in Hamilton, Ontario, and I also have my Master of Social Work degree with a clinical specialization from University of Calgary. Chinook's Edge School Division is the third school board I've worked for since finishing university. I used to work in both northern Manitoba, and southern Ontario.

The Family School Wellness Program is a confidential, voluntary, preventative service offered to children, youth and families. It is available to all children aged three to eighteen and their families. Family School Wellness is available year round and is free of charge. Services can be offered through the school, at your home, or in the community.

Any member of the community requiring family related support or information can access the program. Children are welcome to make one self-referred visit prior to parental or guardian consent. Students, parents, teachers, and community agencies can make referrals. Referral and consent forms can be found at the school's main office (or the Family School Wellness office).

My role as a Family School Wellness Worker is to:

- Provide support services to families and children facing social, emotional or family challenges
- Promote effective communication and parenting skills
- Offer short-term individual or family support
- Build skills with students in small groups
- Assist in finding information and resources such as counseling, after-hours crisis response workers, or legal advice
- Advocate within the school or community at large
- Promote preventative opportunities within the school and community
- Collaborate with community agencies

Possible reasons for referral are:

Anger Management	Anxiety	Bullying/Being Bullied	Depression
Domestic Violence	Family/Sibling Conflict	Grief and Loss	Mental Illness
Parenting Issues	Pregnancy/Sexuality	School Attendance	School Conflict
Self-Esteem	Self-Harm	Separation/Divorce	Substance Abuse

I can be contacted at the school (403) 637 3856 - or via **text only** at (403) 797 1565 on week days during school hours:)

Best wishes for a great school year!

Cremona School Enhancement Society

CONGRATS TO OUR EARLY BIRD WINNER!
Robbin Gabriel!

We had our AGM on Sept 30th. Our 2019/2020 board includes: Dawn Lashmar, Karen Finley, Kristi McKinnon, Alison Diegel, Judi Friesen, Tara Jenkins, Victoria Kreutz and we would like to welcome our newest member, Julie Ryan!

Generally, we run two fundraising events: Trip-A-Month raffle and our fun Puddle Party cabaret. We also apply for grant funding. All funds raised go back into Cremona School supporting academics, athletics & recreation, transportation & the arts. Most recently, we fully funded the outdoor basketball court and we have purchased additional playground equipment to be installed right away. Our efforts also assist with funding additional classroom supplies, drama play, Western Heritage Day, field trip bussing, gift cards for our academic & athletic award winners, recess equipment, crash mat for the gym, track shoes, Library renovations, sensory room renovations and helping to pay for the Jo(e) Media presentation in conjunction with School Council.

It's a long list and we are thrilled to be able to give back. Please consider participating in our Trip-A-Month raffle so that we can continue to support Cremona School!

Calendar

Oct 3 – Volleyball pep rally (Cougar Pride Day)

Oct 16 – Subway day

Oct 31 – Halloween – don't forget to dress up!

Our leadership team has been working hard this past month to set the tone for the year. We have helped organize the Terry Fox run as well as the Sports day. We have also attempted to beautify our school by clearing out the weeds in the front garden.

We have some exciting things planned for the month of October. We will begin with a pep rally on October 3rd to honour all of the school volleyball teams. We ask that all staff and students dress in their green and gold to show their cougar pride! During the day, we have some team building activities as well as some fun new team challenges. The rally will finish off with the staff playing with the students. Subway days will return on October 16th. Please look out for order forms coming home. All proceeds help fund Leadership activities. Later in the month we plan to go all out on Halloween decorations to make our school as eerie as possible. Don't forget to dress up in your best costume. Lastly, we as a team are looking to engage in more community activities. If you or someone you know is looking to partner up with the school, please contact Mr. Korody.

Thank you in advance for your support!
