

Hello Cremona School! I am excited to be a teacher in the middle school this year...mostly with the 5s & 6s. Some of you might recognize me since I was a substitute earlier in the spring. Welcome back everyone!

- Travis Benoit

My name is Ms. Berreth and I am very excited to join the Cremona School team! I am thrilled to be your Grade 1 teacher this year! I went to MRU and I have a degree in Child Studies and a degree in Education. I have been teaching for 4 years. I have taught pre-K through Gr 6 and last year I taught Kindergarten in Didsbury. I now live in Olds with my 2 year old son, Luca and our sweet dog, Pixie.

-Aime Berreth

I am excited to be the new Social Studies and CALM teacher at Cremona School! Prior to Cremona I taught in Airdrie & Condor at Bert Church and David Thompson HS. I currently live in Airdrie with my wife and 2 kids (Emersyn & William). I am an avid Boston Bruins fan and I enjoy hockey, football, camping & hunting.

I look forward to getting to know everyone over the course of the year

-Michael Moorhead

I am excited to join Cremona School as the new Vice Principal, Senior Math and Leadership teacher. I have been teaching Math & Science for the past 14 years throughout AB and SK along with a brief placement in the UK. I have spent half my career in K-12 schools & like the environment of a multi-level school.

I was born on a farm in northern SK where I spent most of my life. I now reside in Cochrane with my wife and 2 kids.

I look forward to getting to know everyone in the school and community. Please feel free to stop in and introduce yourself!

-Darryl Korody

# From the Principal's Desk

Welcome back to a new school year at Cremona School. I hope that all of you had a pleasant summer and had some time for rest and relaxation. I am looking forward to a great school year ahead. I would like to extend a special welcome to those of you who are new to Cremona School and hope that you feel at home here.

We have four new staff members here this year! We would like to welcome: Mr. Darryl Korody who will be our Vice Principal as well as our Sr High Mathematics and Leadership teacher; Mr. Michael Moorhead who will be teaching Social Studies and CALM; Mr. Travis Benoit who will be teaching in our middle school grades; and finally, Ms. Aime Berreth who is our new Grade 1 teacher in the elementary end.

The beginning of every new school year is an exciting time. It is a time to renew acquaintances and catch up with old friends. It is a time for new beginnings! The staff of Cremona School are looking forward to making this year a successful, productive and happy year with challenging opportunities and engaging learning experiences that will allow students to achieve their full potential.

I extend heartfelt gratitude to our teachers and support staff who spent many hours organizing and decorating their classrooms before school opened and to our amazing administrative office staff & librarian who have done many behind the scene preparations. Finally, we thank our custodial staff for all their hard work cleaning and preparing our school for the new school year.

Once again, I am looking forward to working with the education team here in the school and outside the school - as parents and community members are an integral part of our educational team. Our entire staff wishes everyone a very joyful and successful school year!

Please feel free to stop by my office or contact me at any time via phone or email if I can be of assistance.

Kindly,  
Joanna Harvey  
Principal

# Counsellor's Corner

I'm excited about working with the current Grade 12s with their postsecondary and career choices this year! Please feel free to book a meeting with me, I enjoy answering questions and assisting with the sometimes confusing world of Trades, Colleges and Universities.

In October I will be taking all of the Grade 11 and 12s to SAIT and the University of Calgary to tour the campus and check out programs. I have also booked Olds College, Red Deer College, Lakeland College, University of Lethbridge, Lethbridge College and Mount Royal University to present to our High School students. The dates are on our website.

Grade 9 students will be taking a "Career Class" with me once a week for the first semester. We will complete resumes, look at soft skills, participate in the "Take Your Kid to Work" program, and listen to guest speakers from various career sectors!

FRIDAY SEPTEMBER 27th are our ACADEMIC AWARDS, 7-8pm in the gym. Major winners will be called. All recipients will receive a letter. This includes last year's Grades 5-12 students.

## Band Society Update

You're invited!

Are you a parent/guardian of a new or returning band student? The Cremona School Band Society would like to welcome both new and returning band parents to the Society! The Band Society meets once per month during the school year to support both the Band Program and Music Education at Cremona School. If you'd like to learn more about these programs or would like to get involved, the meetings provide a great opportunity to do just that.

Please join us at the first CSBS meeting of the new school year on Wednesday, September 11, 7:00 PM in the library. Please access the library through the bus doors.

We look forward to seeing you there!

## Message from School Council

The role of School Council is to inform parents, school staff, students and community members so we can work together to enhance the student experience. School Council offers advisory input to school administration.

School Council enjoyed helping to host the first day of school Welcome Back Breakfast. It was wonderful to see so many parents helping their kids make the transition back to school. We encourage your continuing involvement via participation in School Council.

School Council meetings are held the second Tuesday of each month with our first meeting on September 10th at 7 p.m. in the school library. A typical meeting includes updates from school administration, school trustee and the various groups active in the school from band to leadership. We then usually have a special presentation. Our September meeting will welcome "Joe's Media" presenting the role of social media in our children's lives. Note the review elsewhere in the newsletter.

Upcoming meetings will host discussions on fundraising (October), academic results/standing/provincial achievement tests (November), vaping, anxiety, and other issues relevant to our children.

Thank-you for wanting to be actively involved in your child's education.

Contact Michael with any questions at 637-3973 or [sunergy@velocitynetworks](mailto:sunergy@velocitynetworks)

## Jo(e) Media

### About this Event on September 10th

For the most part, kids are on their own when it comes to Facebook, Twitter, Instagram, Pinterest, YouTube, Snapchat and even gaming apps. Truth is, social media is now an invisible fact-of-life in most households and at school, and parents and teachers are still trying to figure it all out. In this encouraging and informative parent presentation, the Jo(e)s share what they've learned about the way kids use social media channels differently and give parents the tools they need to start a positive and important social media conversation at home.

# Athletics Update

Welcome back Cremona Cougars athletes!

We look forward to another exciting year of school sports. There are a few sports seasons that are going to kick off rather quickly. Volleyball, cross-country and golf practices will likely begin in the first week, at least for high school. Middle school practices may take a little longer to get under way.

We are very excited about the enthusiasm that our students have shown the last few years, and we invite the parents and community to share in that excitement. If you are interested in volunteering to coach this year, please contact Mr. Youngs or the office via email for further information. We will likely be in need of some volunteers to help with volleyball specifically, but if your interests lie in other school sports, please feel free to get in touch with us.

Good luck to all of our athletes.

**GO COUGARS!!!**

**Most of us will be touched in some way by cancer.** It is only through research that we can one day hope to live in a cancer free world. Please come celebrate with us and help make Terry's dream come true.

All students and staff of **Cremona School, K to grade 12** will be participating in a walk/run around the nature trail on **Thursday, September 26 at approximately 2:15 pm.** Cookies will be served following the walk. Please bring your own water bottle.

**Parents, community members or other interested individuals are welcome to join us in our celebration.**

**Every student is required to have the "in-town field trip" parental consent and medical forms signed** and sent in prior to the event. These forms were e-mailed to you at the beginning of September. If forms are not turned in the student will participate in the event on school grounds rather than on the Cremona nature trail.

**Collecting pledges and making a donation is optional.** Chinook's Edge School Division is moving towards becoming "cashless", therefore we are asking that you please donate online. Attached find step by step instructions on how to donate on behalf of Cremona School. If you do not wish to donate online, you may pick up a pledge form at the office.

**Deadline for pledges and donations is Friday, October 4<sup>th</sup>**

Pledges can be made online at [www.terryfoxrun.org](http://www.terryfoxrun.org). If you wish to donate by cheque there are forms at the school office. Please make cheques out to Cremona School, then we will send one cheque to the Terry Fox Foundation.

*If your child knows someone whom cancer has affected, they may print that person's name on a special name tag that they may wear during the run. Parents of younger students, please send the name(s) in child's agenda so the teacher may assist with this.*

**Please make sure your child is dressed for the weather and has proper outdoor footwear.**

**To help you get in the spirit of running, Thursday will also be **Sports Day.** Dress up in your sports gear and get ready to run!**

**Challenge: If we can raise \$1000 for Terry Fox by October 4, students will get to watch a movie in the gym on the big screen, during school!**

**If you do not wish to donate online, we are asking each student to bring a Loonie on the day of the run.**

## **Challenging, encouraging and believing in every student**

### **A Message from the Board of Education**

As a new year of teaching and learning gets underway, we want to extend a warm welcome to our Chinook's Edge families. Our Board of Education and Central Office Leadership Team are ready to share another amazing school year with our students, staff and families in Chinook's Edge. We know that our teachers and staff, across the grades and in every school, are intentional about providing quality learning environments for each one of our students. Through well- established processes and innovative strategies, it is clear that everyone in Chinook's Edge is working together toward student wellness and success!

Our schools share a focus on four key divisional goals: Literacy, Academic Excellence, Career Connections, and Social Emotional Well-being. We believe this foundation will allow our students to continue to achieve higher levels of success throughout their lifetime. On behalf of our entire Board and Central Office team, we wish everyone a fantastic year in Chinook's Edge, where students come first!

As an aside, we are asking parents to join our staff in continuing to support our Weekdays 'til 6 wellness initiative. This approach involves non-emergency emails and texts be sent prior to 6:00 p.m. on weekdays, to honour the personal time of families and staff. This approach to wellness is making a difference and we thank you for your support.

Kurt Sacher  
Superintendent of Schools

Chinook's Edge School Division will engage every student in meaningful learning by challenging, encouraging and believing in them.

### **Vision:**

Chinook's Edge School Division will be universally recognized as a collaborative learning community where learning is personalized for all students to achieve success as compassionate and innovative global citizens.

# Bouquets & Celebrations

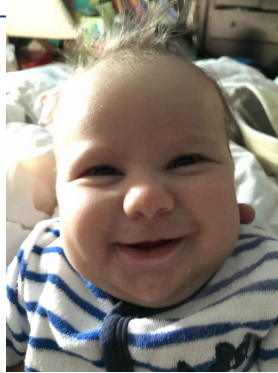

Craig Lerbekmo wishes to acknowledge the **15th Annual Cremona School Volleyball clinic** that has been delivered by **Ryan Marsden**. The fact that he comes to our school from a summer of coaching the National B Team, and hanging with the National A, and preparing us for our season is second to none. Our school's recent Zone level championships and Provincial attempt is without question directly related to his expertise and assistance and positive role-modelling.

Much sincere thanks to Ryan and his assistants from Olds College, and the wonderful students who listen intently and take it to the floor!!

Congrats to Chelsea Sheppard & Brandon Odell on the birth of their beautiful baby boy, Axyl Reef, who was born on June 9th, 2019.

Thanks so much to our janitorial staff for working so hard this summer to clean our school from top to bottom! Great job!!

Congrats to Shannon & Leslie on their wedding this summer!!

# Cremona School Enhancement Society

Thinking about joining our group? Our AGM will be held at the school library on Monday, Sept 30th at 4pm! We would love to see you there!

Generally, we run two fundraising events: Trip-A-Month raffle and our fun Puddle Party cabaret. We also apply for grant funding.

All funds raised go back into Cremona School supporting academics, athletics & recreation, transportation & the arts.
