# From the Principal's Desk

October has been a frightfully fleeting month at Cremona School. All courses are in full swing. With the winter season on the horizon and all that it has to offer, please send your children dressed for the ever-changing weather conditions. All students transported to school by bus must be dressed for the weather. We would like to remind you of our Inclement weather procedures. Please click [HERE](#) to read the definitions of **Green, Yellow and Red days**.

It has been delightful to see all the activities both in the school and around the community this year. It is wonderful to see our students involved in extracurricular activities as that is an important part of their social and emotional wellbeing. We thank you for supporting our school teams as they learn and grow in their sport and sportsmanship. **We do stress the importance of students attending school regularly** and of the daily positive adult involvement in their education. With this in mind, we look forward to seeing you all at the school on the evening of **November 17th for parent-teacher conferences**.

We would like to thank all of those who have worked with us on the various boards in our school and we would like to **welcome our newcomers to those boards**. We are always looking for people to join us in our discussions and school news, so please know that you are **welcome and encouraged to join us for our meetings**. Please check the calendar on the school website for the dates of the meetings for School Council, CSES and the School Band Council.

We at Cremona School feel that it is important that we take the time to honour those men and women who made such a great sacrifice so that we can enjoy the freedoms that we have today. Our **school Remembrance Day ceremony** will be held on **Wednesday, November 9<sup>th</sup> at 10:30 a.m.** in the gymnasium. We welcome all who would like to come join us in remembering those who have served and are currently serving to maintain our precious freedom.

Happy Autumn,  
Joanna Harvey

## Our safe and caring schools - A message from Superintendent Kurt Sacher

We truly appreciate having your children back in our schools enjoying a face to face environment. They give us tremendous energy and we do everything we can to return the favour by being as positive as possible with every interaction every day. We care deeply about our students and we work hard to ensure a safe and caring environment exists for everyone.

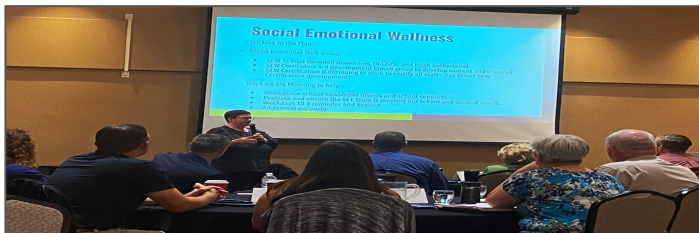

We have all made our way through some challenging times over the past few years. As we move forward we are committed to doing our part to develop your child's well-being to the highest level. To help us with this commitment, please communicate with your child's teacher so our staff know how we can best assist you as a parent.

If issues do arise that you aren't able to resolve, please contact your child's principal and know that you are most helpful when you join them in looking for solutions. There is almost always a solution right at our fingertips and our staff want to support you in every way they can.

Relationships matter at every level in our school division. We look forward to working closely with you as parents to ensure that all of our students feel safe and cared for in our schools.

To read the latest version of the Board eNews, please [click here](#).

### Social Emotional Wellbeing course

**On course** - Dr. Marcie Perdue, Associate Superintendent of Student Services, shared details of the division's locally developed [Social Emotional Wellbeing 15](#) (SEW) course with all school-based administrators as the year got underway. This is an Alberta Education approved, mandatory 50 hour three credit course for all Grade 10 students in Chinook's Edge - the first of its kind in Alberta! It continues a multi-layered approach to protecting and enhancing the mental health of students and staff throughout the division.

### Indigenous Learning in Chinook's Edge

**Indigenous Leads Day** - Schools in Chinook's Edge have a representative to support the division's Indigenous Education priority, and that group met to begin the year together (above). Staff continue to build knowledge to meaningfully embed Indigenous learning into their lessons, to gain a greater understanding of the history, culture and contributions of Indigenous Canadians.

**Please note:** schools and offices will be closed on September 30th to observe the [National Day for Truth and Reconciliation](#).

## Why It Matters

- Children who don't attend school regularly miss out on fundamental reading and math skills, and the chance to build a habit of good attendance that will carry them into college and careers.
- Children who are chronically absent in Kindergarten and Grade 1 are far less likely to read proficiently at the end of Grade 3 and beyond.

### Who Can Read at Grade Level After Grade 3?

 **64%**  
of kids with good attendance in K & 1st  
(missed 9 or fewer days **both years**)

 **43%**  
of kids with at-risk attendance in K & 1st  
(more than 9 days **both years**)

 **41%**  
of kids chronically absent in K or 1st  
(missed 18 or more days **one year**)

 **17%**  
of kids chronically absent in K or 1st  
(missed 18 or more days **both years**)

## Make School Attendance a Priority

- **Monitor your child's attendance** and participation, and contact your teacher to address any concerns.
- **Post your child's class schedule** and log in information on the fridge or your child's homework area.
- **Log in to Powerschool** to receive updates about your child's grades (grades 5-12) and/or attendance.
- **Find out if your child feels safe.** If there are problems, contact the school team to find a solution.
- **If your child seems bored or anxious** about school, talk to their teacher, Family School Wellness, or other parents for advice on how to make your child feel safe and excited about learning.
- **Ask for help when you need it.** School staff, community agencies, or other parents are available to help families access supports when needed.
- **Contact your school team** if you need help to support your child and make school a great place to learn and grow.

## YOUTH EMPOWERMENT & SUPPORT!

# Athletics Update

From the Sports Desk,

Volleyball season is beginning to wrap up and it has been great seeing all of the growth throughout the year. Best of luck with all of our teams as they wrap up the season. Check the school website to see some of the final tournament dates and times!

Basketball season is picking up and it looks like we will have some great participation again this year. If you are interested in helping out this season, please contact Mr. Youngs @ [tyoungs@cesd73.ca](mailto:tyoungs@cesd73.ca)

As always, thanks so much to all of our coaches and volunteers for all of their hard work throughout the season.

**GO COUGARS GO!!**

# Leadership news

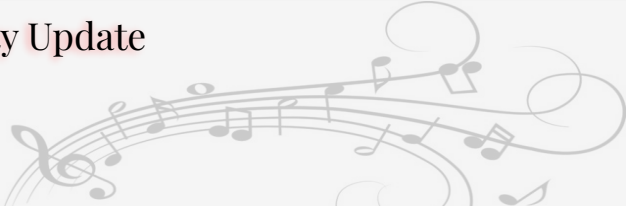

## **October/November:**

In October, Leadership organized a few school-wide Halloween activities. We were thrilled to see the elementary students show off their costumes throughout the school on Monday. We also enjoyed helping Mrs. Ross hold a "Haunted Open House" on the 31st. Families had a wonderful time viewing the haunted houses and doing a little bit of trick-or-treating! We also had a blast decorating the bus foyer. A few Leadership students travelled to Bert Church in Airdrie to attend the Horizons Leadership Conference. We spent the day listening to keynote speakers and sharing ideas with other Leadership students; it was a wonderful opportunity to learn to grow as leaders!

## **Upcoming Events:**

The whole month of November all students will be competing in the Buddy Reading Blitz! Library times will be posted and students can go down to read with their team colour kids. The number of times that each team goes to read will be tallied and the team with the most points by the beginning of December WINS! Leadership will also be helping out with the Remembrance Day ceremony, which is happening in our school on November 9th. We are also working on plans for a Spirit Dress Up Day, so please stay tuned for more information!

## Band Society Update

The Cremona School Band Society would like to thank everyone who participated in our apple fundraiser - what a success! **399 boxes** of fresh, juicy BC apples were distributed in our fundraiser! We also would like to thank everyone who volunteered for the Band Casino which was held a few weeks ago. This is a vital fundraiser for our program; these funds help to purchase new instruments, pay for clinicians and help lower band trip & camp costs.

Thank you to the Grades 7-12 Band for a great performance of O Canada at the Academic Awards. This group continues to prepare for Remembrance Day. They will be playing O Canada, God Save the King and 2 other melodic pieces. The school service will be held on Wednesday, November 9th at 10:30 AM. This is open to all members of the community, so please consider joining us! They will also play at the community service at the Cremona Hall on November 11th.

Our elementary music classes have begun learning to read notes on the musical staff and have been singing and playing xylophones. Our Grades 5 & 6 bands returned from their camp experience and have been busy learning some holiday songs for the Christmas Concert to be held on Dec 14th.

Please join us at our next meeting on Wednesday, November 2nd at 6:30pm in the library. We look forward to seeing you there!

## Message from School Council

The School Council offers advisory input to school administration. # Cremona School Enhancement Society

Hello Parents,

CSES has rolled out the [Growing Smiles Fundraiser](#) and most parents will have seen the order forms come home with your child. If you haven't seen it, check out the Cremona School website and under the "Parents & Students" tab you will find the link to Fundraising. If you didn't order last year, be sure to check the products out as the quality is excellent! A portion of the proceeds will be going to the Grade 12's for their graduation ceremony. **Deadline for orders is Nov 10th.**

Our fundraising goals for the next few years are high, as we look to replace the remaining old playground equipment and refurbish the track. We are always looking for new members to join our committee or sit in on one of our meetings to see what other initiatives we have planned for our school. CSES's objective is to provide funds to the school to help cover additional costs such as water filling stations, playground equipment, AR program material, sports equipment and more! Our next meeting will be in the school Library on Monday, Nov 7th. We hope to see you there!
